Send completed registration form and payment to:

Westwind Weekend  
190 Washington Street S.  
Salem, OR 97302

**PLEASE DO NOT POSTMARK BEFORE FEBRUARY 23.**

## **COVID Guidelines for Westwind Weekend, May 5-7, 2023**

We are taking a common sense, personal responsibility and courtesy-to-others approach to COVID.

### **Vaccination**

- We strongly recommend that all campers have up-to-date vaccinations, including boosters, but we will not require it.

### **Testing**

- All campers must have a negative rapid antigen or PCR test result within 72 hours of arrival at camp. If you test positive, stay home; we will refund your money. We will not require proof of test results.
- Bring at least one unused test kit with you to camp so you can self-test at camp.

### **Masking**

- The risk of transmitting COVID-19 and other viruses varies among indoor settings. We recommend masking when indoors, and we ask everyone to mask during dances, workshops, and concerts, where social distancing (6 feet between you and others) is not possible. N94, N95, and KN95 masks are most effective.

### **Prior to Camp**

- If you know you've been exposed or are very likely to have been exposed to COVID, do not come to camp, even if you feel fine.
- If you have symptoms or test positive in the week prior to camp, do not come to camp.

### **While at Camp**

- Wear a mask when in close contact with others, especially when dancing.
- Wash hands often with soap and water for at least 20 seconds or use hand sanitizer that contains at least 60% alcohol.
- Ensure good ventilation in cabins.
- Encourage outdoor activities.
- Self-test if you have symptoms; if you test positive, self-quarantine and contact the Westwind Staff.
